Cellular Long Distance

Your cellular phone company is charging you too much for long distance calls. With Comwave its easy to save from your cell phone.

RM will provide the customer the lowest Long Distance rate to anywhere in the world. At anytime, should you see a lower advertised rate from any of our competitors, simply call Customer Service and they will adjust your rate immediately and ensure that you continue to get the lowest possible rate.

Rate Guarantee is based on competitors' lowest advertised rate or written quote for like services. Competitor calling card rates will not be included in the Rate Guarantee as many companies use deceptive minute rounding and hidden fees.

Just Low Rates

As the name implies, this package is guaranteed to deliver the lowest international rates. You never need to shop around for better rates, because the lowest rate is part of our written Guarantee. For just pennies you will enjoy peace of mind that you are getting the best deal.

99¢ Plan- Ask us how we beat all competitors...Guaranteed!

Pre-Paid Services

NO Bills
No Credit Check
No Surprises

Simply deposit \$10, \$25, \$50 into your account. As you make your long distance calls, you will be notified of your account balance, and how much time you have for each call. When you run out of money or need more minutes, simply call Customer Care to purchase more minutes to "Recharge". You can also do it online.
